

## Power supply

CODE: 992.EUP

Constructed in compliance with the new EuP European Directive.  
The high energy efficiency translates into considerable energy savings.

Input voltage: 100-240 V~ 60/50Hz 23.7 W (max)  
Output voltage: 3 - 4.5 - 5 - 6 - 7.5 - 9 - 12 V DC 18 VA (max)  
Rotary selector  
Light signaller indicates working  
Automatic overload protection  
Protection against short circuits  
Protection against overheating  
6 connecting jacks  
Dimensions: 89x52x36mm  
Output Current: 1500 mA (max)  
Colour: silver

## Technical data

Article	Current	Size (mm)
992.EUP	1500mA (max)	82 x 52 x 36 mm
