LED star bright with battery

CODE: LED.48

Linear light chain with 48 high brightness LED, it function
with battery, for indoor use.
Ideal for the decoration of table centerpieces, small Christmas trees, nativity
scenes and all those places where the power supply is not available nearby,
and where is necessary to not produce overheating (the LEDs do not produce
heat).
Controllre with 8 different combinations, complete with holder.
The LEDs provide low power consumption and therefore long operating
period. In addition, the controller is equipped with a
timer that automatically turns off the lights after 6 hours after the
last ignition and equally automatically again after 18 hours. Using new
batteries are thus guaranteed up to 15 cycles (steady light) or 30
cycles with flashing light.

Features

- Transparent cable UL26AWG.
- It function with 3 AA batteries (AA) - not included.

- N. LED: 48
- Led Ø 3mm, 3V-0-20mA, 06W
- For indoor use
