

Mini controller 1 channel with remote control

CODE: LB.700.RF

Ultra slim controller that allows you to easily change the effect, speed and brightness of the LED strips with the remote control.

Easy to install. Extremely compact; can be installed anywhere.

Usable for 12V and 24V DC strips

- Output technology: 1KHz PWM in constant voltage
- Dimming: 256 levels
- 8 different lighting effects
- 10 different speeds
- 10 levels of light intensity
- Transmission frequency: 433.92 MHz
- Overtemperature and reverse polarity protection
- Operating temperature: -30 ° C + 60 ° C
- IP20 for indoor use
- Cable size: 18AWG
- Remote control power supply: CR2025
- Remote control range: 15 m, in open field

5-24V **IP20**

Technical data

Article	Volt	Max power	Current	Size (mm)	N. output
LB.700.RF	5-24V DC	120W	5A	46x13x6	1
