

Adapter with off-centre plug

CODE: RL.1069

The plug shape and positioning mean the spaces of the socket block can be used more efficiently. Quadruple adapter "space saving" polycarbonate material, with on/off switch and overload surge protection, manual reset.

10A plug with embedded nickel-coated and protected brass pins

2 socket 2P+T 10/16A with child protection

2 sockets universal 10/16A-schuko
