

Micro led star light

CODE: MLP300

Revolutionary generation of LED Star Lights.

These products combine the technology of the digital controller with 8 different effects, with the innovative solution of microled (thickness 2 mm) mounted on thin wires (section 0.15 mm²).

The effect is: the wires are practically invisible, while the micro LEDs are very bright; all it managed by the controller that allows multiple effects.

Electronic plug-in transformer 100-240V - 50/60Hz 12 V - 4,8 VA

24V

IP20

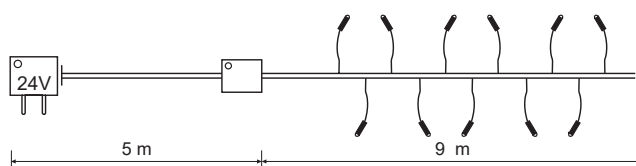

Features

- Consumption: 8W
- 300 microled Ø 2 mm
- Length 9 m + power cable 5 m

Technical data

| Article | Volt | Cable colour | Light colour | LED Nr | LED diameter | Total consumption |
|-----------|------|--------------|--------------|--------|--------------|-------------------|
| MLP300.M | 24 V | verde | Multicolor | 300 | 2 mm | 8 W |
| MLP300.W | 24 V | verde | Bianco Puro | 300 | 2 mm | 8 W |
| MLP300.WW | 24 V | verde | Bianco Caldo | 300 | 2 mm | 8 W |
