

Power supply

CODE: 991.EUP

Constructed in compliance with the new EuP European Directive.

The high energy efficiency translates into considerable energy savings

Input voltage: 100-240 V~ 60/50Hz 10 W (max)

Output voltage: 3 - 4.5 - 5 - 6 - 7.5 - 9 - 12 V DC 7.2 VA (max)

Rotary selector

Light signaller indicates working

Automatic overload protection

Protection against short circuits

Protection against overheating

6 connecting jacks

Dimensions: 69x39x31mm

Output current: 600mA (max)

Colour: silver

Technical data

Article	Current	Size (mm)
991.EUP	600 mA	69 x 39 x 31 mm
