

Ultraflat LED projectors

CODE: FLATSPOT blackline

- NICHIA patented multichip LED with high luminous efficiency
 - IP 65 suitable for indoor and outdoor installation
 - Body in painted aluminium black colour
 - Frame in brushed aluminum black colour
 - Patented heat sink
 - 5 mm thick tempered glass
 - Parabolic mirror
 - Polycarbonate diffuser
- For direct and indirect lighting
Adjustable mounting bracket

IP65 CRI 80

Features

- Power supply: 230V ~ 50Hz
- Colour rendering: >80
- Power factor: >0.9
- LED life: 36,000 hours
- Protection degree: IP 65
- Operating temperature: -40°C +55°C
- Power supply cord: L=60cm, H05RN-F 3x1 mm2
- Stainless steel screws

Technical data

Article	Dimensions	Total consumption	Color	Luminous flux	Angle of diffusion	Weight
FLT10.NW	130x129x25mm	10W	white 5.500°K	780 lm	120°	0,41 kg
FLT20.NW	213x180x27,5mm	20W	white 5.500°K	1.400 lm	120°	0,9 kg
FLT100.NW	412x310x57mm	100W	white 5.500°K	6.500 lm	120°	3 kg

Appliance for outdoor
