

Ultra-thin square LED ceiling lights with tone change and power change

CODE: TALOS SQUARE

TALOS incorporates two innovative technological solutions: the selection of color temperature and the selection of different power and therefore brightness. These two adjustments allow a single device to meet different and varied installation needs.

IP44 CRI 80

Features

- Ceiling/wall or semi-recessed mounting
- High diffusion satin polystyrene diffuser
- White polyamide body
- Clips for fixing in false ceilings up to 15mm thick
- Power supply: 220-240V-50/60Hz
- Colour rendering: >80
- Power factor: >0.9
- Light diffusion: 120°
- Average life: 54,000 hours

Technical data

Article	Supply voltage	Dimensions	Body color	Total consumption	Luminous flux	Angle of diffusion
