

IP66 dimmable drivers

CODE: **SLB2150**
230V AC - 230V DC power supplies

Features

- Dimmable with TRIAC technology
- Ideal for 230V strips
- Power supply: 200-240V AC – 50/60Hz
- Output: 225V DC
- Pno: <5W
- Stabilized
- Protected against short circuits, overtemperature and overload
- IP66
- Operating temperature: -40 +60°C

Technical data

Article	Protection degree	Volt	Max power	Current	Size (mm)
SLB2150	IP66	230V	150W	0.67A	188x61,4x25,5
