

Wiring lubricant Speedly

CODE: SPEEDLY

Thanks to the SPEEDLY lubricant, laying any size cables can proceed with the utmost speed and effortlessly in corrugated tubes and ducts, either in plastic or concrete.

SPEEDLY is able to remove 70% friction and also is oil-free, does not stain and after drying it coats the cable, thanks to its molecular composition, with a protective film thus preventing aggression from corrosive agents and preserving from ageing, both plastic and rubber cables.

It does not form mould and does not ferment

Non-toxic for humans and environment
